Interwork Technologies has won WatchGuard Canada's  
"Distributor of the Year Award for 2015"

---

For Immediate Release.

TORONTO, ON, CA, April 25, 2016 – Interwork Technologies Inc., a leader in the distribution of cyber security solutions in North America, was recently honored by WatchGuard as their Canadian "Distributor of the Year Award for 2015".

Presented at WatchGuard's annual national channel sales conference, Joe Graci, President and GM of Interwork Technologies, was very pleased to receive this award from WatchGuard's management team: "Thank you to WatchGuard for this prestigious award. We are honored to have received this recognition for growing channel sales in 2015 and delivering fast service, exceptional value, and product expertise to our partners. Of course, we could not have done this without the commitment and excellent collaboration with our WatchGuard partners."
